MEET THE TEACHER

Meet the teacher night will be May 24th from 6:30-8:00. Feel free to come anytime between those hours.

Remember on the 25th, school will dismiss at 12:00 for everyone. All children will need to be picked up on or before this time.

MAY 7TH -11TH

I must say, we have the best teachers around! If you choose you can show your appreciation throughout the week. I've asked the teachers to post a list outside of their room listing some of their favorite things. They do this reluctantly because teaching is their passion and they expect nothing in return. However, it's nice to be recognized for the wonderful work they do. Please don't feel obligated to go out and purchase a gift. Teachers love homemade gifts. (Pinterest has some great ideas!)

Please Note the Following Start Times for our School

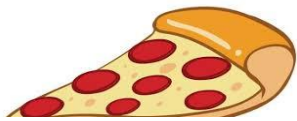

Pre-Kindergarten, Junior Kindergarten & Kindergarten start at 8:30.

Dreamer, Discovery, Explorer, Early Preschool & Preschool start at 9am.

Please do your best to be on time to class. It is disruptive for the students and teachers when late drop offs occur. We understand that appointments and things come up. Please send a message to your child's teacher through the Preschool 2 Me app letting them know. **There will be a \$2 per minute fee charged for each minute late to school at start times. This same \$2 fee applies after school closes at 6pm as well. This has been our policy for the last 3 years.**

Pizza Parties for Birthdays

Going forward if you are wanting to book a pizza for your kid's classroom you can either fill out a request form at the front desk of Vanguard or you can email us directly at bluegrassvanguard@gmail.com with your request and we will charge through your child's account on ezschoolapps.com.

Each school district in the Commonwealth is required to implement a program of "integrated pest management" with the primary goal of preventing and controlling pests through strategies that may include judicious use of pesticides. The application of pesticides in the school or on school grounds during times when children are present is limited by state regulation, but there may be occasions when, after consulting with a certified pesticide applicator, the school administration determines that a pesticide application is necessary when children are present in the school. As required by state regulation, we have created a registry for parents or guardians who wish to receive an electronic message or telephone call prior to the application of pesticides in the school when children are present. Please provide the school administration your email address or phone number if you wish to be placed on the registry.

PLEASE PLEASE PLEASE!!

Drive slowly when dropping off and picking up your child/children **and** come to a complete **STOP** at the four-way intersection. If you are parking on the road between the buildings, you will need to exit by driving **around** the Vanguard building and exiting through the ally. Please do not turn around to leave the way you came in.

A Note from Bluegrass Seasoned (our food program)

Please have your lunch account to a zero balance by the week end. You can replenish your account daily, weekly or monthly. Your account should not have a negative balance. If you would like more information, please contact bluegrassvanguard@gmail.com.
