Trunk or Treat Fall
Festival @4PM

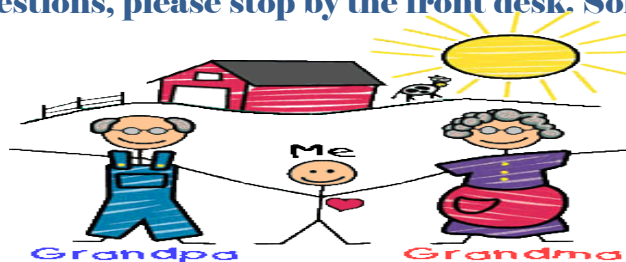

Grandparent's Breakfast **September 7th, 7am-9am**

This is a RSVP event. If you sent in your registration forms with payment, this is what you need to know.

The event is in the Cardinal room in our main building. You or the Grandparent will take your child to breakfast. If you are arriving after the child has been dropped off, you will pick them up in their room and return them after you've finished breakfast.

Breakfast casserole, ham sandwiches, bacon, fruit, coffee and juice will be served.

If you have questions, please stop by the front desk. Someone there will assist you.

Fall Festival/Trunk or Treat
October 26th at 4PM

This year we will do things a little different from our past Trunk or Treats. The festivities begin at 4PM. Instead of the teachers taking them around for treats, you must sign them out and take them on your own. Feel free to send a costume in with them. Their teacher will be happy to get them ready.

Close to the time, we will have sign-up sheets in each building if you wish to park your car and hand out treats. Vendors will be available so no need to worry about dinner! We will also have a DJ for entertainment!

We hope to see everyone there!

Please Note the Following Start Times for our School

Pre-Kindergarten, Junior Kindergarten & Kindergarten start at 8:30.

Dreamer, Discovery, Explorer, Early Preschool & Preschool start at 9am.

Please do your best to be on time to class. It is disruptive for the students and teachers when late drop offs occur. We understand that appointments and things come up. Please send a message to your child's teacher through the Preschool 2 Me app letting them know. **There will be a \$2 per minute fee charged for each minute late to school at start times. This same \$2 fee applies after school closes at 6pm as well. This has been our policy for the last 3 years.**

Pizza Parties for Birthdays

Forms are available in both buildings if you would like to provide pizza for your child's birthday. Please give a 24-hour notice so the kitchen can make arrangements.

Each school district in the Commonwealth is required to implement a program of "integrated pest management" with the primary goal of preventing and controlling pests through strategies that may include judicious use of pesticides. The application of pesticides in the school or on school grounds during times when children are present is limited by state regulation, but there may be occasions when, after consulting with a certified pesticide applicator, the school administration determines that a pesticide application is necessary when children are present in the school. As required by state regulation, we have created a registry for parents or guardians who wish to receive an electronic message or telephone call prior to the application of pesticides in the school when children are present. Please provide the school administration your email address or phone number if you wish to be placed on the registry.

PLEASE PLEASE PLEASE!!

Drive slowly when dropping off and picking up your child/children **and** come to a complete **STOP** at the four-way intersection. If you are parking on the road between the buildings, you will need to exit by driving **around** the Vanguard building and exiting through the ally. Please do not turn around to leave the way you came in.
