Thanksgiving

Fall Festival/Trunk or Treat October 26th at 4PM

This year we will do things a little different from our past Trunk or Treats. The festivities begin at 4PM. Instead of the teachers taking the children around for treats, you must sign them out and take them on your own. Feel free to send a costume in with them. Their teacher will be happy to get them ready.

Sign-up sheets are in each building if you would like to volunteer to park your car and hand out treats. Feel free to dress up your car! The kids love it! Vendors will be available so no need to worry about dinner! We will also have a DJ for entertainment!

We hope to see everyone there!

VANGUARD HOLIDAY BAZAAR

WHEN: NOVEMBER 10TH FROM 10AM-4PM

WHERE: THE CARDINAL @VANGUARD

**If you would like to reserve booth space, the cost is \$30.
We can't wait to see what this year has to bring!**

**So many vendors, so many items to choose from!
502 Deli Truck will be here this year, so you won't go
hungry!**

Please Note the Following Start Times for our School

Pre-Kindergarten, Junior Kindergarten & Kindergarten start at 8:30.

Dreamer, Discovery, Explorer, Early Preschool & Preschool start at 9am.

Please do your best to be on time to class. It is disruptive for the students and teachers when late drop offs occur. We understand that appointments and things come up. Please send a message to your child's teacher through the Preschool 2 Me app letting them know. **There will be a \$2 per minute fee charged for each minute late to school at start times. This same \$2 fee applies after school closes at 6pm as well. This has been our policy for the last 3 years.**

Pizza Parties for Birthdays

Forms are available in both buildings if you would like to provide pizza for your child's birthday. Please give a 24-hour notice so the kitchen can make arrangements.

Each school district in the Commonwealth is required to implement a program of "integrated pest management" with the primary goal of preventing and controlling pests through strategies that may include judicious use of pesticides. The application of pesticides in the school or on school grounds during times when children are present is limited by state regulation, but there may be occasions when, after consulting with a certified pesticide applicator, the school administration determines that a pesticide application is necessary when children are present in the school. As required by state regulation, we have created a registry for parents or guardians who wish to receive an electronic message or telephone call prior to the application of pesticides in the school when children are present. Please provide the school administration your email address or phone number if you wish to be placed on the registry.

LOST AND FOUND

Our lost and found basket is getting pretty full in the Braxlyn building! Please take a look to see if anything belongs to you.

OCTOBER BIRTHDAYS
