Pre-Kindergarten, Junior Kindergarten & Kindergarten start at 8:30.

Dreamer, Discovery, Explorer, Early Preschool & Preschool start at 9am.

Please do your best to be on time to class. It is disruptive for the students and teachers when late drop offs occur. We understand that appointments and things come up. Please send a message to your child's teacher through the Preschool 2 Me app letting them know. **There will be a \$2 per minute fee charged for each minute late to school at start times. This same \$2 fee applies after school closes at 6pm as well. This has been our policy for the last 3 years.**

Pizza Parties for Birthdays

Forms are available in both buildings if you would like to provide pizza for your child's birthday. Please give a 24-hour notice so the kitchen can make arrangements.

Each school district in the Commonwealth is required to implement a program of "integrated pest management" with the primary goal of preventing and controlling pests through strategies that may include judicious use of pesticides. The application of pesticides in the school or on school grounds during times when children are present is limited by state regulation, but there may be occasions when, after consulting with a certified pesticide applicator, the school administration determines that a pesticide application is necessary when children are present in the school. As required by state regulation, we have created a registry for parents or guardians who wish to receive an electronic message or telephone call prior to the application of pesticides in the school when children are present. Please provide the school administration your email address or phone number if you wish to be placed on the registry.
