CHEESE!

PICTURE DAY!!!

Yes!!!!!!!!!!!!!! It's time for school pictures!! We could use a few volunteers to help get the children from their class to be photographed. If you are willing, please let us know. We start early and usually finish up by lunch time.

You will be informed as to which day your child will be photographed.

Raising Awareness for Riley

This year's Valentine's Day fundraiser will support a very special cause. One of our students suffers from a rare lung disease called Neuroendocrine Hyperplasia of Infancy (NEHI). NEHI causes Riley to have rapid and difficult breathing and low levels of oxygen in the blood. Riley wears oxygen 24/7 to help manage these symptoms. Due to her labored breathing, which uses more calories than normal, Riley also has a feeding tube to provide her with the nutritional support she needs. Riley has been having a great year here at Vanguard, and she loves being in Mrs. Isaacs's Junior Kindergarten class!

This fundraiser will support the chILD Foundation, a nonprofit 501(c)(3) which raises awareness, provides familial support, and funds research for Children's Interstitial and Diffuse Lung Diseases (chILD). NEHI is one of a group of ultra-rare lung diseases that is supported by the chILD Foundation. As February is chILD Awareness Month, Riley encourages you to learn more about the disease on the chILD Foundation website (www.child-foundation.org) or via Facebook!

If you would like, you may purchase a small stuffed animal (these will be picked randomly) for \$10. Proceeds will go to the chILD Foundation. We will deliver them on Valentine's Day along with a personal message from you. Please fill out the form that was emailed to you and return it no later than Friday, February 8th. We have a limited amount so the earlier the better!

Please Note the Following Start Times for our School

Pre-Kindergarten, Junior Kindergarten & Kindergarten start at 8:30.

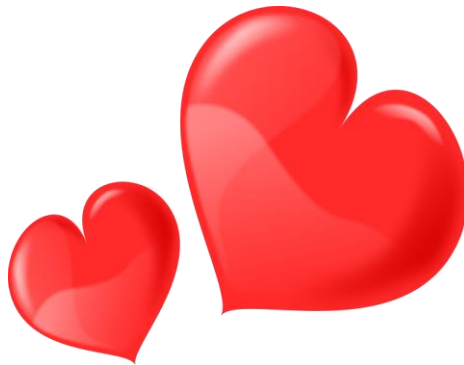

Dreamer, Discovery, Explorer, Early Preschool & Preschool start at 9am.

Please do your best to be on time to class. It is disruptive for the students and teachers when late drop offs occur. We understand that appointments and things come up. Please send a message to your child's teacher through the Preschool 2 Me app letting them know.

There will be a \$2 per minute fee charged for each minute late to school at start times. This same \$2 fee applies after school closes at 6pm as well. This has been our policy for the last 3 years.

Each school district in the Commonwealth is required to implement a program of "integrated pest management" with the primary goal of preventing and controlling pests through strategies that may include judicious use of pesticides. The application of pesticides in the school or on school grounds during times when children are present is limited by state regulation, but there may be occasions when, after consulting with a certified pesticide applicator, the school administration determines that a pesticide application is necessary when children are present in the school. As required by state regulation, we have created a registry for parents or guardians who wish to receive an electronic message or telephone call prior to the application of pesticides in the school when children are present. Please provide the school administration your email address or phone number if you wish to be placed on the registry.

Pizza Parties for Birthdays

Forms are available in both buildings if you would like to provide pizza for your child's birthday. Please give a 24-hour notice so the kitchen can make arrangements.
